An unusual request

Dear Samar

I hope you are well and prospering and that everything is now going well with your school. I was very pleased that when John visited you in May he found your operation to be completely satisfactory but I wouldn't have expected anything else.

The unusual request, I have a problem centre in Hyderabad which I would like inspected on 29 September. I do realise that the rule is that Principals should not inspect other centres but I need an experienced inspector for this one and in my opinion you are one of the best (and I do miss your excellent reports).

The first question is would you be interested in this one inspection?
The second of course is would you be able to leave your school for 2 days?

You would be accompanied by Ian Chambers or if he is not available then Rakesh. The main thrust of the inspection would be the security of question papers and understanding of the requirements of the CIE Handbook. Ian or Rakesh will concentrate on the school resources and the general management with the inspector's help.

We need to ensure that they have everything in place and are aware of CIE regulations before we deliver the question papers for the November session. The inspection needs to take place on 29 September so CIE can make a decision on whether to release the papers which will be despatched the following week.

I have proposed that the fee to be paid covers both the day of the inspection and the travelling time to Hyderabad.

I do hope that you are able to help us with this

My thanks and best wishes
Peter
